Stallion Owner agrees to ship 1st dose (8 straws per dose) Frozen Semen from the above-mentioned stallion to the mare owner. Stallion owner will ship 2nd dose of frozen semen if the mare does not settle on first dose. If mare settles on first dose and has a normal pregnancy that results in a live foal, the 2nd dose of frozen semen is null and void. If the mare settles on the first dose but slips the foal during the pregnancy, is still born, or the foal is born but does not stand or nurse within 12 hours of birth, the stallion owner

agrees to ship the 2nd dose of frozen semen. If mare owner chooses to have all 16 straws shipped in first shipment, please initial here _____. **PLEASE NOTE: If and when both doses are used to settle the mare, there is NO rebreed or Live Foal Guarantee.** A letter from a licensed and certified vet must be sent to stallion owner immediately following any loss of the foal as stated above for 2nd dose to be used (if applicable to situations stated above). **Please note that mare owner is responsible for all shipping fees.**

The mare owner is responsible to insure that the mare to be bred is properly prepared for breeding. Mare should be under lights and cycling properly. The mare owner shall send the executed contract before semen is to be shipped. There is a \$100 preparation fee each shipment that is payable to McKinley and Peters Reproduction Facility. All fees must be paid before semen will be shipped. The mare owner's veterinarian should be monitoring the above mention mare for ovulation. The mare owner agrees to breed only the mare booked and not use the semen to breed any other mares. In the event the mare to be bred does not settle, the mare owner will hold the stallion owner harmless. All preparation fees and actual shipping costs are due and payable at the time of shipping and are the responsibility of the mare owner.

NO EXCEPTIONS

Live Foal Guarantee – *NO (exceptions are listed above) Please contact Leanne or Kent with any questions you may have.*

Color Guarantee. *NO*

Conditions

A breeder's certificate will be issued to the mare owner after all expenses have been paid in full and upon notification of the birth of the foal.

I ACCEPT THE ABOVE AGREEMENT.
